

Netball Managers Checklist

In Seniors we have a collective Google spreadsheet for all team managers to access and mark the attendance of players through out the season, this means you can easily see who to contact and which players may be suitable to pull up if required.

PLEASE NOTE: IN SENIORS IF YOU PLAY UP MORE THAN TWICE YOU WILL BE REGISTERED INTO THE TEAM YOU HAVE PLAYED UP INTO. The collective spreadsheet is a good place to keep a record of players who have played up.

Pre-Competition

1. Confirm all players in your team are aware of playing times, grade and have a blue photo ID card.
2. Confirm all players and parents have the necessary contact information of the team manager, coach and teammates.
3. Access the collective spreadsheet and start putting in dates players are away.
4. Obtain the contact details of the other team managers and club officials (for example if there is a need to borrow a player from another team) – accessible on the collective google spreadsheet.
5. Collect the kit bag (or make other arrangements)
6. Confirm all players have the correct club uniform.

Pre-Match

1. Check wet weather status (if applicable)
2. Check the status of team i.e. confirm there are enough players to take the court and make arrangements if short (therefore need to ensure an understanding of the “playing up” rules)
3. Ensure all players have a BLUE ID card (leave in the Kitbag), If a player plays up they need their card.
4. Confirm all equipment is available (i.e. balls, playing patches, first aid, pump & needle)
5. Collect and complete the score sheet (each player must have their ID checked and verified by the opposing team and vice versa prior to game start time, NO CARD= NO PLAY)

Post-Match

1. Sign the score sheet and return to the NSNA Admin Room
2. Collect equipment and the ball
3. Notify the relevant club contact of any problems/issues – grounds, injuries, players who have played up or general issues
